Double Pasture Meadow Forages With Fertilizer

It is not uncommon for farmers to double pasture and meadow forages with fertilizer. Every dollar spent for fertilizer returns \$2 to \$10 in increased production depending upon the crop, rainfall and management, says E. M. Trew, Extension Pasture Specialist from A & M College.

More forage of better quality can be produced with less water if in recent tests at College Station, plenty of plant food is available, 22 inches of water were required to grow a ton of coastal Bermuda hay. An application of 100 pounds of actual nitrogen an acre, however, cut the water requirement to only 13 inches.

Fertilizers help regulate plant mixtures in this way. In a grass-legume pasture, fast-growing legumes will likely dominate in soils low in nitrogen and high in minerals. Conversely, legumes will fade from pastures low in the minerals, phosphate, lime or potash. One hundred pounds of ammonium sul-

phate or ammonium nitrate per acre applied now as a top dressing will produce unbelievable results on oats for grazing or grain production as well as on bermuda grass pastures for summer grazing. Present moisture condition should encourage farmers in pasture improvement work.

S. S. Coleman Dies At Home Near Milano

Stephen S. Coleman, 71, died at 5 a. m. Wednesday at his home near Milano.

He was born in Arkansas and lived most of his life in Milam County.

Survivors are his widow, one brother, Elzie Coleman of Arkansas.

Funeral services were scheduled at 3:00 p. m. Thursday, February 24, 1955, at the Smyrna Church, Rev. A. F. Russell, pastor First Baptist Church, Cameron officiating. Burial in the Smyrna Cemetery, under the direction of Green's funeral home.

Beef Briefs

In the Southwest, livestock men will be able to take advantage of the big grain sorghum crop which was harvested last fall.

Texas harvested 5,471,000 acres of grain sorghum for a total yield of 117,386,000 bushels, almost twice as much as was raised in the state in 1953.

Grain sorghum has become a standby in many areas and the big increase last year largely reflected the effect of cotton acreage allotments.

PROTEIN FEEDS

A chance for a reduction in the price of protein feeds is seen by some feed sources.

A Texas cottonseed oil mill operator thinks that cake and meal may show a decline if some of the soybean stocks being held by Midwest farmers go to market.

Feed trade sources feel that \$10 in increased production, depending on plant food is available, health of the tree. The main purveyor of the soybeans not marketed have been held as a speculative measure by farmers.

BEEF WEEK

A tentative survey conducted by the Texas Beef Council indicates results from the Council's promotional campaign for beef in the state.

The Council's big kickoff was a Beef Week event staged over Texas in November.

Reports from food chains and independent grocers in all parts of Texas reveal a worthwhile increase in the movement of beef at the meat counters during the week.

Especially interesting was the interest shown in the lesser-known cuts. The Council's promotion is mainly based on wider use of the cheaper cuts.

HOT WEATHER COWS

They're hunting a hot weather milk cow for the tropics. Cross breeds may be the answer, scientists believe, as they check different crosses.

A study in Puerto Rico showed that the Jersey was the best adapted to the climate there.

Mrs. Wetzel of Freeport is visiting in the homes of Mrs. Melvin

Mrs. Evelyn Young returned to Cameron Monday after a weeks vacation during which she visited in Juarez, Mexico.

Complete Freezer Meal Served To Walkers Creek HD

The Walkers Creek home demonstration club met in the home of Mrs. Minnie Boedeker Wednesday, February 23 with 14 members and one guest, Mrs. Mary Ann Harwell, present.

Mrs. Robert Glenn, president, conducted the short business session, after which Mrs. V. L. Angell was in charge of several games.

Mrs. Will Voglesang made a report on the last council meeting.

Mrs. G. L. Lagrone and Mrs. Angell gave a demonstration on living room colors and furniture arrangement and Mrs. Boedeker gave a demonstration on preparing a complete meal from the deep-freeze.

The hostess served the meal prepared from the freezer, which consisted of chicken pot pie topped with biscuits, congealed egg salad on lettuce leaves, hot rolls and butter, congealed tarts topped with whipped cream, cold drinks and coffee.

Their next regular meeting will be at the home of Mrs. Minnie Sagers March 9, with the program to be on Safety.

Trees Need Care Now For Better Growth, Yield

Most trees need attention now for better growth during the growing season. Recent dry years have retarded normal development particularly in pecan and fruit trees.

Cotton burs, barnyard manure, or decaying plants should be spread over the top soil around the tree to cover all the shade area or limb spread. One pound of commercial fertilizer for each one inch in diameter of the tree trunk should be spread over the burs and spaded into the soil to a depth of 6 to 8 inches. One pound of zinc sulphate spaded into the ground will be of general benefit to the

pose of the zinc sulphate is to promote leaf growth and make more of the plant foods available. Pecan and fruit trees should be sprayed with a dormant 3 percent oil spray after all the dead limbs have been removed. In some cases, topping the tree back to one-half of the length of the limb growth is advisable.

Dormant oil sprays should be used before leaf growth starts. February is a good month for tree care.

Associational Brotherhood Meet To Be Held At First Baptist Church

Milam County Associational Brotherhood will meet at First Baptist Church, Cameron next Monday

night, February 28, at 7:30.

Rev. L. G. Ramey, Brotherhood president, has announced that Rev. M. M. Fulmer, pastor of First Baptist Church of Rockdale, will bring the inspirational message.

Coffee will be served at the close of the meeting.

File Income Tax Early

Don't be a last-minute shopper when it comes to your income tax return! That's the advice of F. J. Schultz, local representative of the Internal Revenue Director's Office, for the sooner a taxpayer entitled to a refund files his return, the sooner he will get his refund check. Even if you are not entitled to a refund, it is wise to file the return early. Often you may find it difficult to gather important information and an early start gives you time to get up the information on those hard-to-find items.

If you are in doubt as to whether or how a certain item should be reported on your income tax return or whether you are entitled to claim a certain item as a deduction or credit, the answer usually can be found by reference to the instruction pamphlet mailed to you with your income tax blank early in January of this year. If the answer cannot be found through a study of the pamphlet, a simple telephone call to the local Internal Revenue Office will be helpful.

If you were over 65 years of age and your gross income for 1954 was \$1200 or more, or if you were under 65 and your gross income was over \$600, an income tax return is required by law. Even if your gross income was less than the amount which would otherwise require the filing of a return, you should file it if you worked for wages and income tax was withheld from your wages.

If you received wages from an employer, the employer should have furnished you on or before January 31 with Form W-2 and a copy of that form should be attached to your return when you file it.

You should carefully check your return immediately before mailing to the District Director of Internal Revenue to see that it is complete.

DANGER!

It is Dangerous to Neglect Cough from Common Cold

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion. It goes into the bronchial system to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes.

Creomulsion blends beechwood creosote by special process with other time-tested medicines for coughs. It contains no narcotics.

Get a large bottle of Creomulsion at your drug store. Use it all as directed. Creomulsion is guaranteed to please you or druggist refunds money. Adv.

and accurate in order to save unnecessary correspondence concerning it in the future. Also, your return should be signed before it is filed. If it is a joint return of husband and wife, both should sign it.

John Zawadzke of Buckholts was a Cameron business visitor Wednesday.

B&PW Club Hears Talk on Legislation

The Business and Professional Women's Club met at the Milam Coffee Shop Tuesday evening with 18 members present.

Mrs. Kathryn Robbins gave an interesting talk on Legislation.

Cherry pie and coffee was served by the hostesses, Mrs. Mary Houston, Mrs. Winnie Mae Green and Mrs. Ruby Lee Swanzy.

Their next regular meeting will be held on March 7.

Hotter Water

to get clothes cleaner and hygienically safe!

INTRODUCING RUUD-ALCOA'S AUTOMATIC GAS WATER HEATER

ALUMINUM Alloy Tank

The hotter the water, the cleaner the wash. More dirt is removed. Soap or detergent action is speeded.

The hotter the water, the whiter the wash. Higher temperatures retain more whiteness — more color brightness!

The hotter the water, the safer the wash. Recommended* 160 degree temperature destroys bacteria quickly!

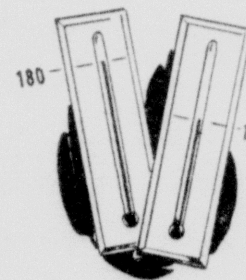

TANK NEVER RUSTS

Until now, the high corrosiveness of really hot water has prevented its use in most homes. Ordinary tanks rust out. But Ruud-Alcoa's new aluminum alloy tank — properly sized — delivers crystal-clear water at 160 degrees hour after hour, year after year. You enjoy the benefits, comfort and convenience of all the hot water you need.

LAUNDRY RATED

Do you know how many gallons-per-hour of 160 degree water your washing machine requires? Laundry rating eliminates all guesswork... matches water heater to washer. Let Lone Star recommend the correct laundry rated Ruud-Alcoa or Ruud Monel water heater for you!

*By many research organizations and the Bureau of Human Nutrition and Home Economics of the U. S. Department of Agriculture.

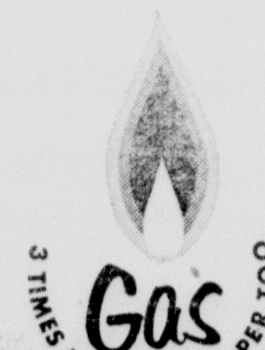

RUUD HAS THE Duo-Temp!

- 180 degree water for clothes-washer, dishwasher!
- 125 degree water for bath, general-use faucets!

You get both from the same tank! Separate outlets pipe water to point of use. Duo-Temp is ideal for every home with a modern laundry. Available at slight additional cost on either Ruud-Alcoa or Ruud Monel water heaters.

Change to Laundry-Rated Ruud-Alcoa Now!

DON E. ENGDahl, Spokane, Washington, President of Kiwanis International, presents his organization's PLEDGE OF REDEDICATION to President Eisenhower as representative of the people of America.

The Pledge of Rededication reaffirms Kiwanis' determination to serve the individual, the community and the nation. It was made at the time of Kiwanis' 40th anniversary. The Pledge which Mr. Engdahl

gave to President Eisenhower is similar to that which most Kiwanis presidents are making to the mayors of their communities this year.

Engdahl and a Kiwanis group were in Washington to attend the Fourth Biennial Kiwanis Congressional Dinner, which was held in honor of the nearly 100 Congressmen and Senators who are members of Kiwanis International.

Cotton Allotment Reviewed At Farm Bureau Committee Meeting This Week

A committee of interested Farm Bureau members headed by Farm Bureau president John A. Smith, met with the county agricultural committee this week to go over the cotton allotment condition here in Milam county.

The committee was received most

cordially, and after several hours of discussion the Farm Bureau Committee recessed with high praise for the way in which the county committee was handling the situation here in Milam County. President Smith said, "the county committee is doing a good job with the acreage allotment it has to work with."

The State Committee just bypassed Central Texas in allotments, also the farmers of Milam County who do not plant their allotted cotton acres should certainly turn them back into the ASC office, and in that way the county will not lose its history of acres. This is one of the reasons Milam County is being penalized so badly

this year. Smith again urged all farmers in Milam county to turn back their unplanted cotton acres to the ASC office not later than April 18, 1955.

Other members of this Farm Bureau committee were Robert Jungmann, first vice president; Chas. Bailey, second vice president; Berenice Charles, Jim Bartlett, H. L. McClaren, Joe Zajicek, E. B. Yager, John Slovak, Ed B. Moerte, John Zajicek, Arthur Inge.

Filing Own Tax Return Is Not Difficult

"Most taxpayers are finding that preparing their own returns is not a difficult task", said F. J. Schultz of the Cameron office of the Internal Revenue Service. "More than ever before taxpayers are reading the instructions and filling in the forms without help. They are doing an excellent job. Once the taxpayer relieves himself of the mental hazard and sets himself to the task of preparing his return, he is amazed at the result and takes pride in the accomplishment", said Mr. Schultz.

Some taxpayers, according to Mr. Schultz believe that in order to discharge their responsibilities it is necessary for them to visit the Internal Revenue office to prepare and hand in their returns and mail them to the District Director of Internal Revenue, Austin, Texas.

Due to the shortage of duns, personnel and inadequate office space the preparation of returns by Internal Revenue officers is limited to simple returns for taxpayers who are unable to read or write and to the physically handicapped. To others, the extent of assistance, is to give advice on questions which taxpayers need answered to complete their returns. A phone call may get the question answered. The telephone number is 86.

"I want to clear up another misunderstanding", said Mr. Schultz. "Many taxpayers believe that returns prepared by Internal Revenue personnel or with their advice are considered correct and that audit of their returns will not thereafter be made. This is not correct. Such returns will be examined in the same manner as returns prepared by taxpayers themselves or with professional assistance."

"Do it yourself is my advice to taxpayers", said Mr. Schultz. "If you feel you must visit the office, please fill in the return as far as you can before you come in. It will save you time and will enable us to give better service."

Lt. Eugene Polzer Graduates From Infantry School

Army 2d Lt. Eugene F. Polzer, son of Steve F. Polzer, Route 1, Cameron, Texas, recently was graduated from The Infantry School's basic infantry officer's course at Fort Benning, Ga.

Designed for officers who have not served with troops, the course gave Lieutenant Polzer instruction in the tasks and problems of an infantry unit commander.

Lt. Polzer was graduated from Texas A & M College in 1954 before entering the Army last October.

Better Watch Your Step Sheriff Black Now Has His Bloodhounds At the Jail

If you have passed by the County Jail recently and been disturbed by an eerie croupy bark, don't be alarmed, there is no malady prevalent among the prisoners, that's the normal, friendly greeting of Linda and Brutus, the bloodhounds belonging to Sheriff Carl Black.

The three year old hounds presented to the Sheriff by H. "Red" Hogan of Rockdale have been in Gatesville running with the dogs there until recently when he brought them to Cameron.

Most people are in awe and fearful of the bloodhound, but actually there is no reason to be, unless trained to be vicious the dog has the friendliest of natures, ready to make friends with everyone.

Sheriff Black said that the Huntsville prison has asked him to bring his dogs up there to run with their dogs, or to leave them in Sugarland where many dogs are kept.

The largest of the dogs is 26 inches high and weighs about 100 pounds, which means that if they were following a scent they would have to run free since they are too big to handle on a leash.

When a boy from the jail was taking them for a walk the other day, one of the dogs got too enthusiastic, made a wild leap and broke the chain he was on.

Mrs. Cecil Williams, accompanied by Mr. and Mrs. Truman Pembroke went to Galveston Thursday after John Miller, father of Mrs. Williams. Mr. Miller who has been a patient at John Sealey Hospital returned home and is reported to be doing nicely.

March 5 to March 13 is National 4-H Club Week.

Jistel, Kostiha Enlisted In National Guard

Two more enlistments were made in Battery C, 649th Antiaircraft Artillery Battalion this week, the local National Guard unit reported today, bringing to thirteen the total of enlistments which have been made in the organization since the first of the year.

The two new members, sworn in during the drill period on Monday night, were listed as Adolph B. Jistel and Frank J. Kostiha. Both are residents of the Cameron area and are engaged in farming.

Jistel also is a student in a local school. Kostiha is the brother of two other members of Battery C, Sgts. Leo L. Kostiha and Milush J. Kostiha.

Leadership and Kiwanis Talked On By Norman

Loyal Norman, president of the Navasota Kiwanis Club, was guest speaker at the local Kiwanis meeting Thursday noon.

He brought out many aspects of Kiwanis and leadership working hand in hand during his talk which had "Leadership and Kiwanis" as the topic.

One of the illustrations he used comparing Kiwanis and their Club to Texans and their state, was the story about a Texan bragging about his state. He reasoned that the whole world knew about Texas not so much because of its size but because its residents were so proud of it.

He also spoke of the necessity of recruiting new members into the club, and briefly outlined some of

the problems of newly started organizations. He was introduced by Wiley

Loughmiller, president, who also conducted the short business session.

There were two guests at the meeting, one of whom was Oxsheer Smith.

NEW MERCURY WINS RAVE REVIEWS FROM AMERICA'S TOP AUTO EDITORS

"In my book, the 1955 Mercury Montclair is the best-looking car made in America regardless of price... The '55 Mercurys have nearly everything—looks, top performance and roadability."

TOM McCAHILL
True Magazine's
"Automobile Yearbook"

"On looks, (Mercury) is sleek enough to draw whistles... a doozy to drive—quick, smooth, and sure-footed. It is the kind of car you would want as a good companion on a long, fast trip."

FRANK ROWSOME, JR.
Popular Science Monthly

"With its all-new styling and high speed, (the new Mercury Montclair) may become 1955's most popular car... I love its looks, visibility, speed and handling... It's hot as a pistol."

HARVEY B. JANES
Auto Age

"Performance-wise, all three lines (Custom, Monterey, and Montclair) are bombs, triggered by big 292 cubic-inch engines with plenty of torque for spine-tingling pickup when you want it."

AUTO EDITORS
Mechanix Illustrated

Mercury Montclair, Monterey, Custom on the test track at Dearborn, Michigan. All 10 models in Mercury's 3 new series are powered by new Super-Torque V-8 engines (198 horsepower in the Montclairs, 188 horsepower in the Monterays and Customs). Dual exhausts are standard equipment on the

Montclairs and Monterays. Mercury's pickup and passing power has been boosted in every speed range. Tests show acceleration increases of as much as 30 per cent, and you get far more usable power for safer passing and hill climbing. Get behind the wheel of a new Mercury. Feel the difference yourself.

F. F. A. Barbeque Held Recently

The annual F. F. A. Banquet was held recently in the Yoe High gymnasium with about 150 members, parents, and special guests present.

The barbeque was served following three invocation by Clifford Angell. The menu consist of Bar-B-Que beef, potato salad, beans, pickles, onions, bread, ice water, and iced drinks.

begin. The president, Tommy See, "F.F.A. Barbeque" page 4 Chamberlain opened the program. Johnny Gerner gave the welcome, followed by the introduction of the followed by the introduction of the parents by each member.

Jimmy Markham introduce the special guests, one who was Patsy Mullinax, F. F. A. Sweetheart. She was presented a gift from the FFA Chapter.

Luther Burnett gave the annual program of work. John Lawhorn spoke on the F. F. A. activities. Carroll W. Jungmann and Adrian

Junior 3 Act Play Nets \$128. For Prom

Junior high school students at Yoe netted \$128. from their Junior play "Here Come the Brides" a comedy presentation in the Yoe auditorium Friday night.

These funds will be used to pay expenses of the Junior-Senior prom, when the orchestra of Jack Ream will supply the music.

There were from three to four hundred people present for the play.

S. M. Layfield announced. He said it was hard to judge exactly how many were present since activity tickets could be used for admittance.

Hanes Honored At Rotary Reception Tuesday Evening

Mr. and Mrs. W. T. Hanes were honored at the Rotary Clubs informal reception in the Episcopal Parish House Tuesday evening.

From 75 to 100 members from various clubs in the district were present.

In the receiving line were Rolan Carr, president of the local organization and Mrs. Carr, and Mr. and Mrs. Hanes.

The refreshment table was covered in a blue cloth topped with dark blue net, carrying out the See, "Hanes Honored" page 4.

Music for evening was presented by Richard Wilkinson, Joe Lee Heitmann, Dwain Bowley and Kenneth Bowley.

Rotary colors, with the centerpiece composed of daffodils, acacias and jonquils.

Other arrangements of single

King Alfred Daffodils were placed on the coffee table and in the powder room.

Those pouring and assisting the guests were Mrs. Calvin Markham, Mrs. Milton Brown, Mrs. Clifford Swift and Mrs. Bill Burns.

Mrs. Milton Schiller presided at the guest register.

The silver coffee service presented to District Governor Hanes at the Marlin convention was placed on display through the evening.

Yoe Bookworm Club Presented At Annual Convention

The Yoe High Bookworm Club was represented at the sixth annual convention of the Texas Teenage Library Association by Myrna Gail Jackson, Rita Moraw, Gloria Boyles, Paula Thompson, Nancy Matyasik and Miss Mary Jo Boyd, sponsor. They were elected from

the seventeen other nominees by the other members of the library club.

The meeting was held in Fort Worth at the Hotel Texas Friday and Saturday, Feb. 18 and 19.

The highlight of the convention was a luncheon held in the Crystal Ballroom of the hotel. The afternoon speaker was Betty Cavanna, who is the popular author of "Going on Sixteen", "Paintbox Summer" and many other teenage books.

I H Salesman Have Meeting Here

International Harvester parts salesmen from this territory attended a salesmanship meeting at the Cameron Burks-Howard dealership Tuesday evening.

Tom Ridley, of the Houston office, conducted the meeting.

There were about 12 men present from Cameron, Calvert, Bryan, Taylor and Bartlett.

Following the business meeting coffee and doughnuts were served. These meetings are held monthly at various dealerships in the territory.

Cars Designed To Serve Food Industry Delivered

First deliveries of another 200 mechanically operated "super-giant" refrigerator cars, especially designed to serve the growing frozen food industry are now being received by Pacific Fruit Express Company, according to announcement by K. V. Plummer, vice president and general manager of the company.

These cars will give the company jointly owned by Southern Pacific and Union Pacific railroads, additional refrigeration equipment equal to the finest commercial automatic freezers, Plummer said, and will bring PFE's total refrigerator fleet to about 39,000 cars.

AN ORDINANCE
ORDERING AN ELECTION
TO BE HELD IN THE CITY
OF CAMERON, TEXAS, TO
DETERMINE THE QUES-
TION: SHALL A COMMISS-
SION BE CHOSEN TO
FRAME A NEW CHARTER?
AND, IF A MAJORITY OF
THE VOTERS AT SAID ELE-
CTION SHALL HAVE VOTED
IN THE AFFIRMATIVE, PRO-
VIDING FOR A CHARTER
COMMISSION TO PREPARE
A NEW CHARTER, AND FOR
A SECOND ELECTION TO
DETERMINE WHETHER
THE CHARTER SO DRAWN
SHALL BE ADOPTED.

WHEREAS, at a regular meeting of the City Council of the City of Cameron, Texas held on October 5th, 1954, on motion by Alderman Milton J. Schiller, seconded by Alderman Gene F. Blake, it was resolved by unanimous vote of the City Council, acting under authority of Article 1165, Civil Statutes of Texas, that an ordinance be prepared by City Attorney, Roy Baskin, submitting to the qualified voters of the City of Cameron the question "Shall a Commission be chosen to frame a new Charter?"

NOW THEREFORE:
BE IT ORDAINED BY THE CITY
COUNCIL OF THE CITY OF CAM-
ERON, TEXAS:

1. That an election be held on the 5th day of April, 1955 within said City submitting to the qualified voters of the City of Cameron the question "Shall a Commission be chosen to frame a new Charter?" and, should a majority of said voters voting on said question have voted in the affirmative, that a Charter Commission of fifteen members be elected from the City at large. Said election shall be held at the City Hall, and B. J. Matocha is hereby appointed Presiding Judge of said election, and Geo. G. McGehee Judge, and Mrs. John Ryan and Mrs. R. W. Bennett, Clerks, and said Presiding Judge shall select such other Clerks as may be necessary to assist in holding said election.

2. That said election shall be held under the provisions of the Constitution and laws of the State of Texas, governing General Elections, and all persons qualified to vote in said City under the laws of this State regulating general elections shall be allowed to vote. The manner of holding said election shall be governed by said laws of the State of Texas governing General Elections.

3. That the form of ballot to be used in said election shall be substantially as follows:

"SHALL A COMMISSION BE CHOSEN TO FRAME A NEW CHARTER?"

ANSWER YES NO
FOR the following named persons of the City of Cameron to constitute a Charter Commission. (Vote for not more than FIFTEEN.)

1. Narvie Caperton
2. W. T. Hanes
3. John Henderson
4. Don Humble
5. W. E. Kuehl
6. August G. Kunz
7. Walter Lester
8. E. A. Perrin
9. Jack Prescott
10. John Schmidt
11. David Shapiro
12. Ada Margaret Smith
13. John A. Smith, Jr.
14. Henry Siebman
15. E. L. Wied

4. Those desiring to vote for the

proposition, "Shall a Commission be chosen to frame a new Charter?", shall strike out the word "NO"; and those desiring to vote against said proposition shall strike out the word "YES".

IN EITHER EVENT the voter shall then vote for a Charter Commission of not more than FIFTEEN members, to serve in case a majority of the voters voting at his election have voted in the affirmative. The above named have been selected by the City Council as a Charter Commission, and should the voter desire to vote against any or all of said above named persons, he may do so by scratching the name of such person, or persons, and writing on the line opposite such scratched name, the name of the person for whom he wishes to vote: PROVIDED that a failure to so name a Charter Commission shall not invalidate the voter's vote on the question, "Shall a Commission be chosen to frame a new Charter?"

5. That should a majority of the qualified voters voting at said election vote in the affirmative as to the question, "Shall a Commission be chosen to frame a new Charter?", then, after the Commission has completed its work and submitted the new Charter, a second election shall be held at the time designated by said Charter Commission, in conformity with law, to determine whether the new Charter shall be adopted.

6. That a copy of this ordinance signed by the Mayor of the City of Cameron, and attested by the City Secretary, shall serve as a proper notice of the election to be held as herein ordered, on the 5th day of April, 1955. The Mayor is authorized and directed to cause notice of said election to be posted at the City Hall, and at two

other public places, in the said City of Cameron, for at least thirty (30) full days prior to the date of election; and he is further authorized and directed to have said Notice of Election published in some newspaper of general circulation published in said City, which said notice shall be published each week for four weeks, the date of the first publication to be not less than thirty (30) full days prior to the date of the election.

7. The fact that the present charter of the City of Cameron is deemed by a considerable number of the citizens thereof, inadequate to meet the present governmental demands of the City, and the importance of the inauguration of changes in the basic laws and management of the City, constitute an imperative public necessity for the suspension of the rules requiring ordinances to be read at three different meetings; and the taking effect immediately of this ordinance; and such rules are hereby

suspended, and it is ordained that this ordinance shall take effect immediately after its passage and approval by the Mayor.

OFFERED BY:
Alderman Gene F. Blake
PASSED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, by a vote of 5 Ayes and No Noses, at a called meeting held on the 16th day of February, A. D. 1955, and APPROVED on the same day.

O. B. HORSTMANN
Mayor, City of Cameron, Tex.
ATTEST:
Neomi Needham
City Secretary, City of Cameron, Texas

Mr. and Mrs. Grady Stidham recently visited in the home of their daughter, Dr. and Mrs. John Lane Baskin. The Baskins' returned from Japan a few months ago and are making their home in Dallas where Dr. Baskin will have his offices.

RESOLUTION
AND
ORDER OF ELECTION

WHEREAS, the Ordinances and Laws of the City of Cameron and State of Texas require the holding of a regular annual election of officers of the City of Cameron, Texas, for the two years beginning with the first Tuesday of April, A. D. 1955:

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, THAT:

1. An annual election shall be held in the said City of Cameron on the 5th day of April, 1955, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit:

THREE ALDERMEN of the City of Cameron (to succeed Aldermen J. C. Andres, Gene F. Blake and Robert Weems, whose terms of office expire on the first Tuesday of the month of April, 1955) to hold office for the two year term end-

ing on first Tuesday in April, 1957, and it is hereby so ordered.

2. Said election shall be held at the City Hall in the City of Cameron on the said 5th day of April, 1955, and the following named and designated electors of the City of Cameron, are hereby appointed managers of said election (and of all other elections which may be held in said City of Cameron during the year 1955), to-wit:

B. J. Matocha, Presiding Judge, Geo. G. McGehee, Judge, Mrs. John Ryan, Clerk, Mrs. R. W. Bennett, Clerk, and such other judges and clerks as may be appointed by said presiding judge to assist in holding said election, in accordance with the laws and ordinances governing in such cases. The manner of holding said election shall be governed by the relevant statutes of the State of Texas and ordinances of the City of Cameron, governing elections. A copy of this Resolution And Order of Election, signed by the

Mayor of the City of Cameron, shall serve as a proper notice of said election; and the Mayor is hereby directed to cause notice of said election to be posted at the door of the City Hall of Cameron, a public place in the City of Cameron, and to be printed in the official newspaper of said City, for at least thirty days prior to the date of said election.
OFFERED BY ALDERMAN
Roy Griffith
PASSED BY UNANIMOUS VOTE

of all Aldermen at a called meeting of the City Council of the City of Cameron on Wednesday, the 16th day of February, 1955, the same being the third Wednesday in said month; AND APPROVED on the 16th day of February, 1955 by
O. B. Horstmann
Mayor, City of Cameron, Texas.

Pvt. Nelson Cox Stationed At Thule Air Base

Pvt. Nelson Gray Cox, son of Mrs. C. J. Sutter of 703 West Main Street, Cameron, Texas, is now stationed at the northernmost U.S. Air Base, Thule, Greenland.

Pvt. Cox, who attended Yoe High School, will serve one year in Greenland as a Cannoneer with the Battery D, 549th AAA Battalion.

Thule Air Base, a gleaming aluminum city 900 miles from the North Pole, on the northwest coast of Greenland, is the key defense point in the Northeast Air Command.

Polar bears, seals and walrus occasionally are found near Thule

Air Base, where the great Greenland-ice-caps jut seaward. Eskimos and Danish settlers live in areas near this vast arctic airdrome. At Thule the winter months are totally dark and the midnight sun shines during the summer.

Mrs. Dennis Klein Entertains Members Of Burlington HD

The Burlington Home Demonstration club met recently at the home of Mrs. Dennis Klein.

All members were present and the president Mrs. Roy Schonhoeft opened the meeting by having the club repeat the club prayer and motto.

Song-work for the night is coming

was sung after which secretary and treasurer Mrs. Klein called the roll and read the minutes.

Mrs. Klein led in recreation with Mrs. George Logan and Mrs. Roy Schonhoeft were winners of prizes in games.

The T. H. D. A. money was handed in to be taken to council at Cameron Monday Feb. 28.

Mrs. George Logan gave a report on the program of Farm Bureau and H. D. and 4-H Clubs at Simon George Hall which was held Thursday. The president read a letter from Mrs. Dudley Curry T. H. D. A. Chairman. Mrs. Klein was elected candidate for delegate for convention in Temple.

Roll call was answered with work simplification hints.

Mrs. Klein served refreshments consisting of doughnuts and coffee.

Next meeting will be at the recreation hall with Mrs. Schonhoeft as hostess.

KC's Decide Many Issues At Meeting

Knights of Columbus held their regular business meeting Thursday night at the KC Hall, with several important decisions made by the convened members.

Plans were made for a drive for new members, the council membership now is 210, and an all-day initiation of a new class on March 27.

They decided to set the family picnic on June 5 this year, with the attendance expected to be about the same as last year, 300.

It was also voted to change the

date of the annual public picnic to September 4 instead of having it in July as in previous years.

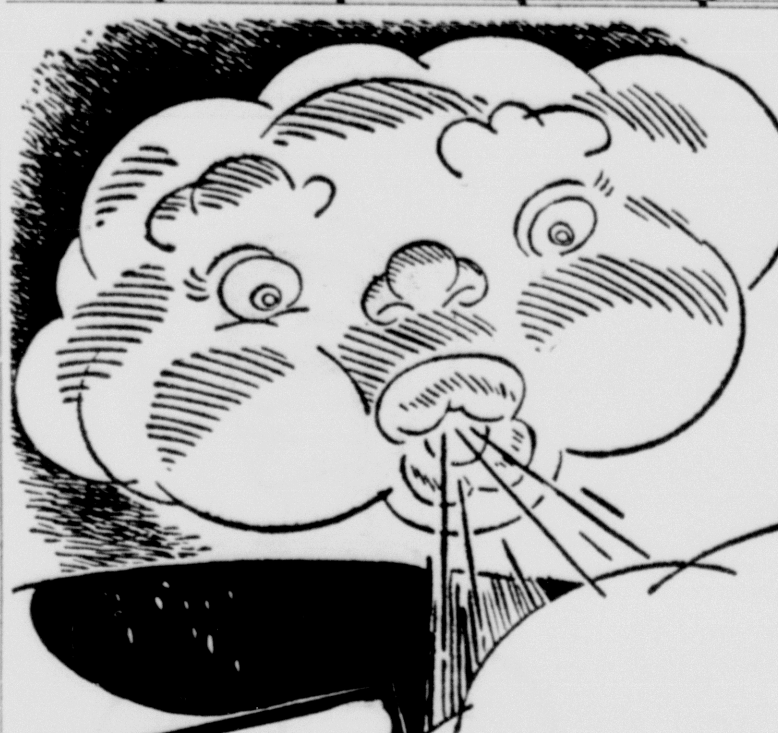

Another of the KC's decisions was to help defray the expenses of sending Troop 52 to Camp this summer, so that all the 13 boys would be able to go. Joe Humplik is scoutmaster of this troop.

E. O. Schiller, Grand Knight, conducted the meeting.

Demonstration On Poultry Given

The Burlington 4-H Club met at the Recreation building recently with the county agent J. D. Moore and the H. D. Agent, Mrs. Alice Hughes present. Mrs. Roy Schonhoeft, 4-H Sponsor was also present.

A Poultry Demonstration was put on by Mr. Moore and Mrs. Hughes.

APRIL BRIDE-ELECT — Mr. and Mrs. R. B. Bennett, 2945 Gordon Fort Worth, announce the approaching marriage of their daughter, Jean Rae to Lt. Donald Lehnert. Miss Bennett is a graduate of Ft. Worth Technical High School and attended Texas Christian University. She is presently employed at the John Mansfield Co. Lt. Lehnert is the son of Mr. and Mrs. E. A. Lehnert of Cameron. He is a graduate of Yoe High School and Texas A & M College. At present he is stationed at Fort Lee, Virginia with the U. S. Army. The wedding is planned for 8 o'clock Tuesday evening, April 5, in the home of the bride's parents.

United E & R Guild Plan Prayer Service

The United E & R Guild of Ben Arnold met February 20 for an inspirational program given by Mrs. Leona Rummel, Mrs. Fay Kobutek, Mrs. Adeline Shultz and Lillie Rummel.

Mrs. Emma Petrich gave a report on the family night in the early part of February and showed a film strip on the Carolina Missions. A free-will offering of \$10.00 will be sent to the mission.

The Guild decided to sponsor a project of making 1,000 cookies for the Veterans Hospital in March.

Tilda Shultze, Citizen Christian Chairman, was instructed to write letters to the representative from this district.

The Constitution Committee met Feb. 1 and will present their findings at the March meeting.

The Womens Guild will have a World Day of Prayer service Friday night.

Hostesses at this meeting were Mrs. Emma Petrich and Mrs. Edmund Pimpier, who served refreshments.

Martha Class Has Meeting, Supper

At the Martha Class of the First Baptist Church's meeting there were 30 members and guest present for a chicken-spagetti supper. The meeting was held in the Educational building.

Following the supper a program with the theme "Memories" was put on by Mrs. Natalie Asher, Mrs. Mary Arthur, Mrs. Marie Franklin, Mrs. Bessie Wright, Mrs. Kathleen Heft, Mrs. Thelma Ray Barrett and Mrs. Erlene Moore.

Hostesses for the occasion were Mrs. Ruby Plempier, Mrs. Vivian Ethridge, Mrs. Kathleen Heft, Mrs. Josephine Leonard and Mrs. Rachel Fuqua.

T. S. C. W. Alumnae Meets With Mrs. A. F. Matula

The Milam County chapter of the Texas State College for Women Alumnae Ass'n. met Tuesday, February 22, in the home of Mrs. A. F. Matula at Cameron.

Those present were Mrs. Andrew Esslinger, Mrs. Gillis Graham and Mrs. W. R. Newton, Sr. of Cameron, and Mrs. Walter E. Fischer.

Mrs. R. C. Richards, Mrs. J. A. Beesley, Mrs. C. E. Simmons and Mrs. R. A. Marek of Rockdale.

Plans were made by the group to contribute to the T. S. C. W. Foundation Fund. This fund is for scholarships and also for improving facilities at the college. Any person or persons interested in contributing to this cause, whether associated directly with the college or not, may contact Mrs. Gillis Graham, treasurer for the Milam County chapter, or may send contributions directly to the T. S. C. W. Foundation Fund, in care of T. S. C. W. Station, Denton, Texas.

The next meeting was scheduled for Tuesday, April 26, at 7:30 p.m. in Rockdale, at the Episcopal Parish house, with Mrs. J. A. Beesley as hostess.

All T. S. C. W. alumnae, whether

graduates or not, are urged to attend. The invitation has also been extended to include anyone who has a daughter attending T. S. C. W. They would be associate members. There are now two associate members in the chapter. Those wishing to join the organization have been advised to call Mrs. A. F. Matula in Cameron.

Mr. and Mrs. H. A. Kuzel of Waco stopped in Cameron Monday for a short visit. They were enroute to their summer home in Buckholts to attend to business.

Mrs. George Logan of Burlington was a business visitor in Cameron Monday and attended the H. E. Council meeting at the court room.

DAY & NITE GROCERY

Not One Candidate Filed For City Council Election To Date

Final date for filing for alderman for 1955 is creeping near and the roster of filed names for the position is still blank. All of those wishing to run for the office of councilman will file their names with Mayor O. B. Horstmann.

Three councilmen have expiring terms this year, Johnny Andres, Gene Blake and Robert Weems.

John Andres, who ran last year only after repeated pleas, said that he definitely will not be in the running this year. "Eight years is long enough" Andres stated.

Gene Blake reported that he definitely will file his name within

the next few days for re-election. "There are several pet projects I'd like to see completed before I drop off the council," Blake stated. "The main two being the highway project, started some time ago and the garbage problem, which we have been trying to solve."

"Of course," he added, "I am for anything good for the welfare of the city, but I feel a particular interest for these two projects."

Robert Weems, the other councilman with expiring term, said that he has not definitely made up his mind yet whether to run for re-election or not.

Rockdale Sets New Record, Officials Hope For Same Here

Rockdale kept up the record breaking year for Milam County's T. B. X-ray Unit visit by setting a new record of 1,525 in comparison with their old record of 1,521. This made two of the visits to Milam County record breakers, first Thorndale and then Rockdale.

The T. B. Unit will be in Cameron today, from 8:30 a. m. until 5:30 p. m. and will remain at the Hefley-Stedman Motor Company tomorrow and Monday, with the same hours.

H. H. Pruett and Dr. John Bryson, who are in charge of the unit this year, expressed the hope that Cameron can also beat its previous record of 2,998. They said that there should be at least 2,500 from Cameron and 2,500 from surrounding communities present at the unit if anywhere near an accurate check could be made in this area.

The service at the unit is free, having been paid for by tax money, with the unit itself, estimated at a cost of \$10,000 being the property of the State Health Department.

There will be a technician and clerks on duty at all times, with the time necessary for having an x-ray made set at one minute.

Ladies were advised to wear perfectly plain blouse, sweaters, or dresses, since sequins, beads or buttons show up on the x-ray picture and make it difficult and sometimes impossible to read.

Getting an x-ray made yearly is a precaution everyone should take to insure themselves, their families and their friends against the dread disease of tuberculosis.

Another reason for having the picture made is that if TB is found in the early stages a cure is possible in a matter of months, where,

if the condition lingers on until the worst stages or reached a cure takes longer and is sometimes impossible.

Plan to attend the X-ray unit while it is in Cameron.

Trial Track Events Held Here Thursday

Temple and Cameron held their track runs on the local track Thursday afternoon, with Coach Leo Jackson reporting that the local boys proved proficient in most events.

Highlights of the afternoons activities were: 120 High-hurdles - Joseph Michalka, 19.2 time; 100 yard dash - Albert Mondrick - 19.7 and freshman Hubert Marek making the run in 11.1, judged to be very good for a freshman.

Wayne Miller ran the 440 in 69.5, especially good time.

Low hurdles - Clifford Angell, 22.5, Buddy Thompson 23.7 and Bob Williams in 23.5.

In the 440 Relays the team composed of Albert Mondrick, Jimmy Rettig, Buddy Thompson and Clifford Angell made the run in 49.

Bobby Williams ran the 880 yard run in 2:23; Alvin Baggerly ran the mile in 5:33; with the team of Rettig, Donald Ernst, John Duncan and Angell setting a time of four minutes in the mile relay.

In the broad jump Albert Mondrick jumped 17 feet and 10 inches and George Malone 17 feet and five inches.

The next trial events will be the triangular meet between Rosebud, Rockdale and Cameron on March 2 at the local field.

Trial Track Run Scheduled Here Thursday With Temple Wildcats

Coach Leo Jackson released the track schedule for the 1955 track squad of Yoe High School.

Trial runs will be held with Temple here at 2:30 February 24. March 2 - Triangle meet with Rosebud, Rockdale and Cameron here at 2:30 p. m.

March 12 - Cottonbowl Relays in Taylor.

March 18 - Giddings Relays in Giddings.

March 26 - Cameron Invitational Relays.

April 1 - Incomplete. April 16 - District meet in Taylor with Belton, Georgetown, Rockdale, Rosebud, Taylor, Cameron and Killeen participating.

The Cameron Invitational Relays will be one of the big attractions in Central Texas. Last year, with Temple as winners, forty area schools participated. This year even more are expected.

In the trial runs Thursday, Feb. 24, fourteen events are set.

A few boys are returning to the track team from last years squad. Coach Jackson reported. Albert Mondrick will probably run the 100 yard dash, 220 and broad jump.

Low hurdles entries are Clifford Angell, Buddy Thompson, Bobby Williams, Laddie Dohnalik, Henry Brown, and Eugene Hubnik.

Joseph Michalka will run in the high hurdles as well as the pole vaults. Jackson stated that other younger boys are showing up in the pole vault too.

Another letterman back is Jimmy Rettig who will participate in the 100 dash, 220 run and 440 relays.

Hoyle H. D. Club Enjoys Supper Family Night

A covered dish supper and family night was observed recently by the Hoyle Home Demonstration club at the home of Mrs. S. W. McClaren, Jr.

After the supper was served the husbands, guests and children enjoyed television while the members conducted their regular business meeting.

Mrs. Monroe White gave a demonstration on the arrangement of living room furniture.

After the business session the entire group joined in party games. Mrs. Lawrence Greenwood was the winner of the surprise package.

As a grand finale the club held an auction on old hats to raise funds for the organization. After the sale each purchaser modeled his hat and pictures were taken.

Other guests besides the members husbands were Mrs. Greenwood, Misses Imelda and Anna Marie Hanel, Miss Leonora A. Bickett, Mrs. Florence Markham and Mrs. Williams.

Their next regular meeting will be March 2 at the home of Mrs. Ellis Coker.

Engine **KNOCK** signals power-loss...

STOP KNOCK

with **Esso Extra** for '55

STOP MOTOR OIL KNOCK WITH HUMBLE UNIFLO

Humble Esso Extra gasoline for '55 will give you the best anti-knock performance you've ever had.

But motor oil can also cause knock. Some oils form combustion chamber deposits that raise compression ratios even higher, increase a high compression engine's tendency to knock. These deposits also cause pre-ignition ping.

Humble Uniflo motor oil does not form knock-causing deposits. Thus, in effect it raises the anti-knock performance of your gasoline.

Uniflo also saves gasoline, lengthens battery life, gives you superior lubrication and cooling. You use the same grade the whole year around.

When you use both Esso Extra gasoline and Uniflo motor oil, you're using the best performance combination ever.

The entirely new gasoline with the highest performance rating ever offered Texas motorists.

When your car knocks, you're losing power, burning too much gasoline, dirtying your engine. Knock—even ping—is more than a noisy inconvenience—it's expensive, too.

But you can stop knock with Humble's Esso Extra for '55. This entirely new gasoline has the highest octane rating (anti-knock quality) offered Texas motorists.

It's an absolute must for the new high compression 1955 engines.

And it assures the improved performance of any car, any make, any model.

Get the Esso Extra habit! . . . Your car will give you performance you never dreamed it had!

No. 1 in Texas

Now, more Texans than ever before prefer Esso Extra to any other premium gasoline.

HUMBLE

HUMBLE OIL & REFINING CO.

HIGHWAY —

to think about building their own jail.

A twenty-five minute argument between Robert Weems, Johnny Andre and Roy Griffith followed, on the residue of water which stands on 18th street before several houses recently erected. It was stated that when the street was recently improved a dip was left before those houses, causing the water to settle there instead of traveling out into the open pasture at the end of the street as it had done previously.

Weems stated that he was not an engineer but he did know that to correctly fix the street for curbs a certain slope had to be maintained, which was done, and the water should be taken off by ditch.

Andre and Griffith pointed out that they had called the dip to the attention of Weems before the project was ever started and cautioned him to not slope the street so much since a puddle was bound to form at that point.

Weems retaliated that the whole council was there and agreed to the manner in which the street was being planned, he then added, "I don't know whether you agreed or not (referring to Andre), but if you did it was the first time you agreed to anything".

All of the council agreed that some steps had to be taken to correct the situation.

Andre then made the Water Department report, which had a net gain of \$3,022.41 for the month of February, with 8,320,500 gallons of water sold during the month, costing the city approximately 19 cents per 1,000 gallons sold.

The connections now number 1,874, the peak of water connections.

Five additional sewer connections were made during February, with a net Department gain of \$711.94.

It was brought out that Monday, work will start on a water line to be laid to Alabama Town for the purpose of fire protection.

Several individuals request to be brought into the city limits were discussed, with several aldermen being in favor of the request, but no definite decision made.

The parking meter fund for February was \$4,008, which will be used for curb and gutter work already completed and to pay the men that are handling the house numbering in the city.

Councilmen decided that all members of any convention meeting in the city would be honored with free parking during the convention. Schiller stated that he thought some kind of zoning ordinances for the city should be planned.

The proposal was talked about at some length and tabled until further information could be had.

LAWRENCE —

the Lackland linguist included incomplete and limited course materials, frequent fluctuations in electrical current and power failures.

"Although Airman Lawrence's Spanish Air Force contacts were all with officers, in a service which is very rank conscious," the letter said, "he so impressed them with his professional knowledge and diplomatic manner that he at once gained their respect and cooperation."

Airman Lawrence, who speaks English, French, Russian, Spanish and Portuguese, first became a language instructor for the US Air Force as a civilian employee in 1951 at Connolly AFB in Waco and at Perrin AFB in Sherman.

After enlisting in the Air Force and completing basic training he studied Russian at Syracuse, N.Y., for six months and was assigned to the foreign liaison office at Bryan AFB, Texas.

Following a transfer to Bolling

AFB in Washington, DC., in November, 1953, he helped write the course materials which he later used in Spain.

The Cameron, Texas native, who was an assistant instructor in French at Baylor University in Waco in 1948-49, was placed on temporary duty with the Air Force Section of MAAG in Madrid in January 1954.

After returning to the states, Airman Lawrence worked at the Naval Research Laboratory in Washington D. C. before being transferred to Lackland in October of last year.

A graduate of Baylor University, he had one and one-half years of post graduate study at the Sorbonne in Paris, France, before going to work as a civilian language instructor for the Air Force.

In his present assignment with the 374th Pre-Flight Training Squadron, he conducts English classes at the USAF School for Allied Students.

Miss Marie Petruy accompanied by friends from Temple has just returned from a visit to New Orleans where they attended the Mardi Gras.

Mrs. Ed Shuberg of Austin was a weekend guest of her parents, Mr. and Mrs. M. E. Peeler.

Mrs. Grace Gunter of Kosse spent Monday night and Tuesday as a guest of her son-in-law and daughter, Mr. and Mrs. Floyd Stark.

Mr. and Mrs. M. E. Mitcham's guest Friday was their daughter-in-law, Mrs. James Cooper Mitcham of Amarillo.

Mrs. H. E. Garlich who was a patient under treatment at St. Edwards hospital in Cameron the past week is presently at the home of her son-in-law and daughter, Mr. and Mrs. O. W. Benold where she is progressing favorably.

Mrs. J. E. Huettig and daughters Janice and Joan of Giddings and Mrs. Jerry Schiller of Cameron were guests of their parents, Mr. and Mrs. Joe Krall Tuesday. Mrs. Krall accompanied them when they returned to Cameron, and visited in the Schiller home Tuesday evening.

Guests in the J. D. Lewis home Friday evening were their daughter's family, Mr. and Mrs. Bill Gause and sons, VV, Bobby, John and Mark.

Weekend guests of Mr. and Mrs. A.R. Walschak were their children Mr. and Mrs. L. J. Heath, Penny and Cecie of Wy., Mr. and Mrs. Arnett Zalesco, Jon and Mike of Fashing and Mr. and Mrs. H. H. Wright, Dee Dee and David of Rogers.

Becky Terry of Cameron, spent the weekend with Gloria Miller recently.

MIGRAINE

BY

J. E. BOYCE, D. C.

If your sick headache is on one side of your head and one eye, accompanied by pale face, nausea, black sunken eyes, vomiting, intolerance of light or noise, and if you are just blanked out and in a

painful stupor, you are a member of this much too large fraternity of periodic sufferers. I say, much too large fraternity because, although the

usual treatment resolves itself into a shot of strong sedative, and nothing done for the removal of the cause, we have discovered there is a cause that can be removed in about nine out of ten

We discover derangements in central nerve system under the head and when they can be corrected the results are instantaneous, or nearly so. Sometimes correction takes more time, but let's look at this actual clinic case.

A Cameron women - age 52, came to our clinic suffering from Migraine Headaches for the past 15 years. Hypnos and medication brought little relief - patient would be in bed several days, couldn't eat or sleep. During our examination she also reported, backaches, sinusitis, nervousness and complete exhaustion for several days after the migraine attacks. Our x-rays revealed the cause to be a severe spinal block at the base of the skull. Adjustments removed this cause and today this lady is enjoying a normal healthful life free from pain.

While our critics go about saying it can't be done, we have already done it. Results speak for themselves.

Note: The world's largest insurance companies pay for Chiropractic services. Demand it or buy from those who will pay.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.

Mrs. Lela S. Wier

2805 Arbor Hills Drive - 55 P.O. Box 2692 Jackson 7, Mississippi

day night with Mr. and Mrs. J. A. Blasienz.

Mrs. Walker Cox is visiting in the home of her daughter Miss Gannelle Cox of Houston.

A large number of friends from Clarkson attended funeral services for Mrs. Lester White at the First Baptist church in Rosebud Sunday afternoon.

Rev. Don Niswonger of Waco was guest speaker at the Clarkson

Baptist church Sunday morning. He was accompanied here by Mrs. Niswonger.
